

Become a sponsor of the tandemPV Workshop 2024!

From June 25-27, 2024 the fourth tandemPV Workshop will bring together researchers, industry professionals and enthusiasts in the field of tandem photovoltaics! The workshop will take place in Amsterdam, the Netherlands and will be hosted by TNO and UNSW.

Focusing on reliability, stability, accelerated testing, outdoor testing, energy yield and bankability of tandem technology, our event will foster collaborative discussions and knowledge exchange to drive innovation in the renewable energy sector.
