Become a sponsor of the tandemPV Workshop 2026!

From June 17-19, 2026, the sixth [tandemPV Workshop](#) will bring together researchers, industry professionals, and enthusiasts in the field of tandem photovoltaics. The workshop will be hosted by Helmholtz-Zentrum Berlin and will take place in Berlin, Germany.

With a focus on the reliability, stability, accelerated testing, outdoor testing, energy yield, and bankability of tandem technology, the event will foster collaborative discussions and knowledge exchange to drive innovation in the renewable energy sector.

As a sponsor of tandemPV 2026, you will have the opportunity to increase your international visibility and establish yourself as an active and important player in the field of tandem photovoltaics. Choose a sponsorship option that best aligns with your organization's needs!

EVENT VENUE

AKADEMIE DER KÜNSTE

PARISER PLATZ 4
10117 BERLIN
GERMANY

The Akademie der Künste (Academy of Arts) in Berlin is an international hub of art and architecture located at the famous Brandenburg Gate in the heart of the city. Founded in 1696, it has been located at Pariser Platz for over two centuries. In 2005, the academy inaugurated a new glass building at Pariser Platz.

In addition to its five exhibition halls, the building features a large conference hall and an exclusive spacious area with a rooftop terrace. From the terrace, visitors can enjoy spectacular views of the Brandenburg Gate and the Reichstag building,

Its strategic location in Berlin, combined with a professional, service-oriented team, ensures that **sponsors of the tandemPV Workshop 2026** will receive maximum exposure and seamless support throughout their engagement.
